

Dear Educator,

We are delighted to announce the national launch of **Spelling Force**. This revolutionary new title is packed full of innovative power to make your life as a teacher of spelling so much easier. To our knowledge, it is the most comprehensive spelling programme in the world.

Spelling Force's Automated Learning mode ensures that students are always working on content that is just right for them. With Spelling Force you can run spelling bees, complement any 3rd party student work book series or set work from the extensive Built-In lists and courses. **We'd love you experience it by starting a no obligation FREE TRIAL.**

Wonde. We have recently partnered with Wonde to make it even easier for schools to manage the setup of their school subscriptions.

edalive.com

Big savings. Spelling Force is just one of our award winning, high quality, low cost, curriculum linked titles that are in use in schools all around Australia. We are delighted to see more and more schools using our websites to **boost learning and save money.**

World leading innovation

Spelling Force is packed with innovations that make it simple for teachers to take direct control or to let the Automated Learning system challenge and manage students' progress.

- **Automatic mode**
continuously tracks each student's performance and automatically progresses them.
- **Teacher Directed mode**
allows teachers and parents to set work to be completed using any of the courses or the 2,800+ built-in lists.

- Sight Words, Complex Spelling Patterns, Contractions, Possessive apostrophes, Word building, Homonyms, Homophones, Heteronyms, Word origins,
- Extensive subject-specific word groups.

Spelling Bee mode

Conduct spelling bees for your class or across the whole school.

Use in conjunction with 3rd party books & lists

Boost the power of programmes such as Sound Waves, MultiLit and many other student book series. Manually enter the words or use the Import option.

Note: Schools must hold appropriate licensing when using 3rd party resources within Spelling Force.

Activities and games

Includes: Quiz, Look-Listen-Learn, Spelling Bee, NAPLAN Simulator, Practice and a range of spelling games.

Printable worksheets

Reproduce any of the spelling lists with a range of printable worksheets.
